The 1989 model year marked the final generation for the Toyota Cressida. The impending success of the Lexus made it superfluous for Toyota to have a luxury sedan in its lineup. The 1989 Cressida got a larger, more powerful engine; a bigger, more rounded body; and more standard features, like ABS ...

Used Toyota Cressida For Sale in New York - Carsforsale.com

A typical large American sedan of the time would have a standard V8 engine double the displacement of the Cressida's 168-cube six. (Toyota did not break out their sales, but the company sold around half a million in the U.S. each year from 1979 to 1983, and the Cressida was just one of seven models.)
