1998 Acura El Brake Light Switch Manual - Video Dailymotion

A month ago My son had a brake light switch installed in his 2003 Acura CL because the back brakes light stopped working. I went outside one night after the installment and the lights blinked front n bake lights kept coming on as if someone was mashing the lock button on the key remote,again tonight just only the brake lights going off and on like someone pressing on n off the brake pedals ...
