I have a 2002 Ford Mustang. The service engine soon light...

Recently, I was driving around in my car and I noticed that my service engine soon light had come on. I thought it was because that I had "floored it" a little too hard, and I heard something bang in the engine, thus the light came on. Since then, I keep hearing a clicking noise every time I accelerate. I really need to get it serviced, but I do not have the money to do so.
