1949 Harley-Davidson PANHEAD FL ENGINE MOTOR ... - PicClick

I am looking at a 1949 Panhead motor to replace the shovelhead currently in the bike. The motor is titled and registered in Iowa. Here are the problems. The engine cases had been replaced at some time with 1953 cases. The numbers boss was ground down and new numbers stamped to match the title. The 4 and the 9 apparently are not the proper "font".

Panhead Vintage Harley-Davidson Engines | JPCycles.com

And a 61ci Panhead engine is an E-series. However, I have run across this sort of thing before and although there can be legitimate reasons for H-D's apparent discrepancies I'm curious as to how widespread this was. You said Wisconsin restamped the cases and the bike was now titled as a 1968 homebuilt but did the engine start out as an FL? Eric

belly number pictures? - The Panhead & Flathead Site

The Harley-Davidson Panhead V-twin was introduced in 1947 in 61- and 74-inch versions. Here's a
