I own 1999 Lexus Rx300, since February of the last year, I had numerous problems with the car's engine (it has sludge), transmission, emission system, and over use of gas per mile. First problem started during the first month of my ownership and since that time the vehicle has spent weeks in auto repair shops.

Engine Problems of Lexus RX300 - carproblemzoo.com

I am having idle and misfire problems with my 2000 Lexus RX300. It has been intermittent, but all day today (rainy day) it has been consistent. Whenever I come to a stop I have to pop it up in neutral and keep the RPMs up above about 300-500 or it will shut off. Then when I go, I just keep the RPMs up a little while I shift it into gear.
