Ok, So my X595 maintenance light doesn't seem to want to go off. From what I understand is that they changed the way that this is reset just before my serial number. -30000 they had a reset button on the right side behind the screen. 30000- they made it automatically reset after you changed the oil.

X595 maintenance light woes - TractorByNet

Here is my X595 - 1800 hrs. going into the 4th season with it. It is mowing 9foot 10 inch swath. I ask a lot out of it as the 24hp diesel is turning 4 blades that mow a 6 1/2 foot swath, plus pushing the extra motor deck around that is attached with ball hitches so it follows terrain completely independent of the tractor, and has an 18hp kohler.
