Auction - Spring Machinery Consignment Auction in Camrose ...

I want to change the hydrostatic oil on my honda HS828 snow blower. The reason for doing so, is that after we had a 3 ft. snow fall, I worked the blower for several hrs. and then the forward and reverse started to refuse to work smoothly. I then noticed that the oil reservoir was full of oil instead of the small amount that normally is in the bottom of the reservoir. I purchased this used blower in ...

BEST ANSWER: You should not have to charge the battery if the store has it ready for pickup ,if you do then contact the store ,as you may have a problem with the batter., Even some new things can have problems. But if you are asking the Question on a general term then I would say about 2 hours would be enough to get you moving again, but if you are storing the battery for the winter I would ...
