### **Flash Lube is the place of the 10-minute Quick Oil Changes**

Your engine's lubrication system reduces friction and protects your vehicle. Don't let worn engine oil damage your engine. Start your next oil change at AutoZone. We carry all major weights and compositions from all the best motor oil brands, so no matter what you drive, we have what it takes to do the job right.

### **Motor Oil - Conventional & Synthetic Engine Oil - AutoZone**

Oil is taken from the engine to pass through the filter media. The media is the part inside the filter which looks like paper. In fact, media were traditionally made of paper and often still are, although some filters now use synthetic filter media which are better for trapping small contaminants over more miles.
