How to build the auto? I've thought about building my auto too. The thing is, I want the control over the gears like a manual. The only way to have that is to have a manual! What would building my auto consist of, and what would it do for the car? Also, I've never been a fan of how the auto is jerky in normal driving.

1966 mustang manual transmission | eBay

Mustang Automatic Transmissions. We hate to admit that the manual transmission is going out of style, but the general downward trend says otherwise. In 2014, only 10% of cars made in North America had a manual transmission, down from 35% in 1980. So, there's no question that the automatic is taking over.
