Hello all. After fueling this evening, I noticed that my Service Engine Soon light was lit. Could bad fuel have caused the light to come on or just a coincidence? If not, based on members experiences, what are some common issues that I might check, that may have caused the condition. I did browse the ENGINE DIAGNOSTIC PROCEDURES thread however, did not see any reference to service light issues.

2001 Mitsubishi Galant Questions - RepairPal.com

Our 2001 Galant turned off on us while driving it. We got a lot of opinions from different people suspecting it had something to do with the gas pump. The gas pump is now replaced but the car will not start at all. It does have pressure from the gas pump so we ruled that out. We checked the spark plugs and they do seem to have oil on them, dripping.
