95 civic engine swap | eBay

I have a 1995 Honda civic coupe, D15B7 manual transmission, and I'm planning on doing an engine swap in the near future. Now, I'm new to cars and modifications, so my questions might seem quite low-level. First of all, I've done some research online on a few specific engines, and apart from that I've been recommended a B16 VTEC engine.

At work I got a buddy that will sell me his 95 civic dx or hx, that has some minor wheel wheel rust through, and a crappy interior, many spills etc. for 900 the mileage is high around 150000 but it doesnt matter becuase the frame is perfect and the guy took very good care of it. I plan on gutting the car and swapping in a real engine.

95 civic engine swap | HondaSwap

Honda Civic 1990-1995 model Engines are very much in demand these days as they are older models but we have enough of these in stock that will last at least a year in our inventory so don't hesitate to call and inquire about availability for the Honda Civic Engine you are looking for.

Japanese Used Honda Civic Engines for sale

I am looking to buy a 1995 Honda civic coupe, and the people said they replaced the engine and the tranny. I believe the engine in it right now is a v6 for honda. But I don't know if that is what originally came with a 95 honda civic, or if it was something else? And if thats not the orig. engine, how will it affect the gas mileage?
