### 1969 Lt1 Corvette Engine Pictures

1969 C3 Corvette 1969 Corvette Overview. The 1969 Chevy Corvette arrived on the coattails of critics who had been anything but kind to the inaugural C3 Corvette just the year before. Although the overall tone of the critics was marginally more positive by the end of the 1968 model year, GM recognized that there was still a way to go to fully win over the same people who were so quick to tear ...

1969 Corvette Specs why There's no mistaking a corvette for anything but a corvette. The aerodynamic lines of America's original sports car make it the one automobile nobody mistakes for anything else. In a coupe or Convertible this is the genuine article, designed and engineered without compromise.

### 1969 Corvette Specs - National Corvette Museum

1969 Chevrolet Corvette. The Corvette remained much of the same for 1969, although it was now officially called the "Stingray" (one word). The big news was that the coupe outsold the convertible for the first time, and continued to do so in the following years. Engine choices were changed with a new 350 cid V8 replacing the previous 327.
