2005 Nissan Altima Consumer Reviews - Edmunds

Forget paying the big bucks for a brand new engine.It is not rocket science to remove and replace the engine. I have done it 4 or 5 times in my home garage..2005 isnt old for an altima so dont let anyone tell you its junk because of the bad engine.I would think a good used engine would be less than 1000 bucks and 5 or 6 hundred in labor.
