EFI 5.0 Installation - 65 Mustang Fastback - Midnight D'signs

If you are wanting to swap to a current engine from the 1990's, try a 302 or 351 Windsor from a 90's Town car, Crown Vic, or pickup truck. Any of those will bolt in without much modification and with these newer transmissions you will have overdrive instead of a direct drive like the original trans.

1965-1967 mustang engine swap question? | Yahoo Answers

The first-generation Ford Mustang was manufactured by Ford from March 1964 until 1973. The introduction of the Mustang created a new class of automobile known as the pony car. The Mustang's styling, with its long hood and short deck, proved wildly popular and inspired a host of competition.
