### **2004 Acura Tsx Check Engine**

I have a 2004 Acura TSX and about 3 months ago, I had to replace the battery. No big deal, but after that, when I would have the car in park and the radio on, all electrical would cut off for a split second. Then two days ago, it happened again, except this time, the engine cut off too. The check engine light came on for a day but then went off.
