Although an issue with the gas cap or spark plugs may be the simple cause of a check engine light coming on, always have a professional diagnostic run by an Audi mechanic. It is important to save time and money by identifying the exact issue and have the appropriate repairs done by someone with experience.

Why Would My Audi's Check Engine Light Come On?

Option 2: Drive it around and hope the light goes off, mine used to do this all the time, the light would randomly come on and the next day or two would go off. A little story, after I bought my 1999 Audi used in 2002 about 2 weeks after I had it the check engine light came on. So I took it down to the local audi dealership to get it checked out.
