Check engine light on 1996 Honda accord ex what causes it? The check engine light (service engine soon) comes on and stays on when a problem is detected by the self diagnosis system of your vehicle.

What does the check engine light mean in a 1996 Honda Accord

While I was driving today, my check engine light suddenly came on. The car wasn't acting weird or anything, I just happened to look down and it popped on. What's the first thing I should check? I know sometimes it can be the gas cap, which I plan to check on when before I go back out. So that's on my list of things to look at, I just need to know what else it could be that wouldn't be a ...

Check Engine Light; 1996 Honda Accord? | Yahoo Answers

I have a 1996 Honda Accord and the engine light is flashing and when I stop at a red light the car shakes and it feels like it is going to die what can the problem be? Answer: Whatever it is, you shouldn't drive it with the check engine light flashing, you could cause more damage.
