The next day I started the engine as usual, but it suddenly cut out after three minutes of driving. I pushed the car to the side of the road and was about to walk home. But I tried the ignition and it started up. I thought maybe it was a fluke and later took the car on the highway. After about eight miles the engine cut out again.

The Volvo 700 series is a range of executive cars produced by the Swedish manufacturer Volvo Cars from 1982 to 1992. The 700 series was introduced in 1982 with the luxurious 760, followed two years later by the lower priced 740 which capitalized on the prestige attained by the very similar 760. The 700 series was then gradually replaced, beginning in 1990, by the 900 series.
