Thx Samuel for answering..... let's play ball! I am fairly mechanical and have a vag com with software 15.7.? However, I do not think it is a registered copy based on price and the fact there was a note in the package that said "dont update" lol that being said, it does have coding and I just went and took a photo of the sticker by the spare tire.

I am getting a e 01044 error control module incorrectly ...
