This is the description of the China made a TV that has a 110 cc engine if you guys know anything about the wiring in the diagrams and bypassing the stator wires and getting this puppy run in any ...

Basic china 110 wire diagram bypass basics

If you cross-reference the bore and stroke information for the SL100 with all the other 100cc models Honda makes (and made), chances are a piston and rings from a CB, CL, XL, or an XR100 will meet the same specs. The main concern is deck height (distance between wrist pin center and top of piston), some pistons are domed, and others flat-topped.
