### 2005 BMW 3 Series Reliability - Consumer Reports

The video above shows you how to replace the battery in your 2005 BMW 330i. We recommend changing the battery in BMWs every 4 years. Although some batteries last much longer, most batteries begin breaking down chemically after four years, so you could experience dimmer headlights and other negative effects before you have a dead battery in your 330i that you need to replace.
