This 1991 Nissan 240SX has been with the same family since new and is powered by an unmodified 2.4 liter inline-four paired to a 5-speed manual gearbox. This first gen S13 model was used as a daily driver over the years by the parents of the seller, until it became their third car for some time.

### No Reserve: 1991 Nissan 240SX for sale on BaT Auctions ...

The engine compartment appears stock and "unmolested." Looks pretty good from what I can tell by the pictures. The B13's were, IMO, the best years for the Sentra. They were reliable and built well and the SR20DE is a great engine with a lot of performance potential, if you choose to do performance mods.

Its a sad day when your Beautiful 1990 240sx decides to give out on you. Recently my passenger side spring and strut tower in the engine compartment decided to unweld its self and cut my gas line while I was driving... One quick road side repair of the gas line and I was able to limp it home, but not before the Tower is completely ruined!!
