All, I have been searching for a PDF version of the repair manual for a 2002 Honda Aquatrax F-12x. I have found useless links and that's about it. Does anyone have a manual or a place that I can download from that currently works? I do not need the owners manual. Thanks, Hunter

2002 Aquatrax F12x problems?? wont start...no top speed.... One runs good like it should with low hours and the other has about 140 on it and wont start. It was winterized and put away running but then when tried this year it would start off the trailer the guy told me so he never had time to look at it.
