King's Cross Thameslink station is a closed railway station in central London, England. It was located on Pentonville Road, around 250 metres (0.2 mi) east of King's Cross mainline station and, at the time of closure in 2007, was on the Thameslink route between Farringdon and Kentish Town stations. It was included in the London station group from the its inception in 1983, and remained so until ...

A road is a thoroughfare, route, or way on land between two places that has been paved or otherwise improved to allow travel by foot or some form of conveyance, including a motor vehicle, cart, bicycle, or horse.. Roads consist of one or two roadways (British English: carriageways), each with one or more lanes and any associated sidewalks (British English: pavement) and road verges.
