13 HP (420cc) OHV Horizontal Shaft Gas Engine EPA/CARB

I'm considering modifying a lawnmower type engine block to be water cooled much like the honda, but that's a lot of work. The plus is that engine blocks are very cheap to replace. On the other hand, is there a ready made, water cooled engine that small already available? The smallest I've seen are about 18-20hp or so twins. ... « Reply #13 on: ...

Smallest water cooled gas engine? - Microcogen.info

I can trust the full support of a reputable Honda Dealer. Honda makes portable generators for play, home and work. The EM6500S is in the category of home use although it is Pro Grade! Although it is not as quiet as the comparable one for play, it is still extremely quiet and comes at a much lower price.
